What’s New in MCIS Fall 2016

Personalized Learning Plan

Now features a simplified interface, on-line editing, and full integration with CIS. The Graduation Requirements are now totally customizable.

Single-Sign-On Option

For schools who use an SIS such as PowerSchool, students can automatically login to MCIS using their PowerSchool Login.

Call 1-800-541-3904 or email mcrn@mt.gov to enable this feature.

Accessibility Improvements

Enhanced screen reader experience— including better skip navigation, labeling and identification of tables.

Interest Profiler Short Form Assessment

Useful for users who are short on time and for younger users.

Interactive Learning Styles Survey

The results of the Learning Styles Survey in MCIS can now be saved into the user’s portfolio.

Parchment Transcript Services

Users can click a button in the MCIS Application Tracker for easy access to Parchment transcript functions. Coming Soon!
